

Five Ways to Win in Sew & Save at 75th NSDC

❖ **Participate in the Community Project and win charms, dangles, and possibly a charm bracelet.**

It's easy, just complete mastectomy aprons for our special community service project at the 75th National Square Dance Convention® to be a winner. The patterns are pre-cut, all you have to do is sew.

❖ **Win prizes in the Sew & Save Brown Bag Raffle.**

Simply take the Sew & Save flyer in your 75th National Square Dance Convention® registration packet to Sew & Save in the Hilton Hotel, Brazos Room C and receive two days' worth of brown bag raffle tickets. Check out all the items being raffled (including gift baskets, sewing tools, handmade items, and assorted other prizes) and place the appropriate tickets for that day in the bag corresponding to the items you would like to win. There will be two drawings - one on Thursday (posted Friday morning) and one on Friday (posted Saturday morning). There will be different raffle items each day.

❖ **Bid in the Silent Auction for Sewing Machines.**

There will be three sewing machines to bid on in the Silent Auction – Two gently used Brother sewing machines and one antique Singer Featherweight Sewing machine. Just write your name and bid amount on the Silent Auction bid sheet. Keep checking back to see if someone else has placed a higher bid so you have the chance to increase your bid. The highest bid at 5 p.m. on Thursday, June 25, will get one of the Brother sewing machines. The highest bids for the Singer Featherweight machine and the other Brother machine at 5 p.m. on Friday, June 26, will be the winners of those machines.

❖ **Browse items on the “Free Table.”**

If you aren't feeling lucky enough to win in the Brown Bag Raffle or Silent Auction, just step over to the “Free Table” and take whatever items you can't live without.

❖ **Make & Take your own special prizes.**

Sew & Save is offering four classes where you can make your own “prizes” to take home. These prizes include boot noodles, Texas specific bolo ties and pins, bluebonnet necklaces or dangles with beads, or little turtle charms that move! Check the Sew & Save class listings to find out dates and times of these classes.
